Energy

Hold NW Energy Accountable and Comment on the proposed Laurel Gas Plant

We (multiple groups across Montana) are hoping to get 1000's of Montanans to sign this letter to NW asking them for renewable energy. [Please sign it now!](#)

Comments on the NWE-proposed Laurel Gas Plant will be accepted until 8/10 at deq-armb-admin@mt.gov. More information is [here](#).

Rx For Climate

Hayley Blackburn, PharmD of U.M.'s School of Pharmacy recently helped start a [Global of Alliance for Climate Smart Pharmacy Practice](#). Join them!

Montanans Speak out on Wildfire

Hear how wildfires and other effects of climate change in Montana are impacting the health of our communities.

Thanks to Natalie Henning, our summer intern from Yale, we have a series of videos to highlight Montana voices.

Please share [the trailer](#) for this video on social media!

Meaningful Climate Actions!

IECC Building Codes

Buildings contribute 13% of our greenhouse gasses. More modern building codes can lessen

Ask Our Congressmen to adopt the CES

this. Ask Montana's Department of Labor to adopt the 2021 International Energy Conservation Code, **Written comments can be submitted by Sept. 1, 2021, [to buildingcodes@mt.gov](mailto:to_buildingcodes@mt.gov) .**

Healthcare workers from across the US are asking their Congresspeople to vote for the **climate friend legislation within the infrastructure bill**. The form letter is pre-filled based on your zip code [here](#).

Now is our biggest nope for substantive Congressional climate action!
