

**Including a bequest in your will or estate plan for
Montana Health Professionals for a Healthy Climate**

Thank you for considering Montana's health and environment in your legacy planning. For most donors, a fixed amount or a percentage of the residual estate is used to designate a bequest gift. The gift can also be given to our general operating fund, which gives MT HPHC the most flexibility for spending, or for a specific project.

Sample language:

Bequest without a specific designation:

\$_____ (number amount) shall be distributed to Montana Health Professionals for a Healthy Climate, a non-profit charitable organization, EIN #83-3164007 with an address at P.O. Box 1972, Red Lodge, MT 59068, or its lawful successor, to be used at the discretion of the MT HPHC Board.

OR

_____ % (percentage amount) of my estate shall be distributed to Montana Health Professionals for a Healthy Climate, a non-profit charitable organization, EIN #83-3164007 with an address at P.O. Box 1972, Red Lodge, MT 59068, or its lawful successor, to be used at the discretion of the MT HPHC Board.
